(i) all proceeds, products, and substitutions or replacements for or of any of the foregoing.

3. Warranties. Borrower warrants that:

(a) no financing statement or other document or agreement evidencing, establishing or granting a lien on any Collateral (other than any which may have been filed on behalf of the Bank or on behalf of Borrower if such financing statement has been assigned to the Bank) covering any of the Collateral is on file in any public office;

(b) Borrower is and will be the lawful owner of all Collateral, free of all liens and claims whatsoever, other than the security interest hereunder and the rights of any lessee(s) of Subject Equipment covered hereby, with full power and authority to execute this Agreement and perform Borrower's obligations hereunder, and to subject the Collateral to the security interest hereunder; and

(c) all information with respect to Collateral and Account Debtors set forth in any Security Agreement Supplement or any supplement, schedule, certificate or other writing at any time heretofore or hereafter furnished by Borrower to the Bank, and all other written information heretofore or hereafter furnished by Borrower to the Bank, is and will be true and correct as of the date furnished.

4. Processing, Sale, Collections, etc. Unless such power and authority is revoked by the Bank after the occurrence of a Default, Borrower (a) may, in the ordinary course of its business, at its own expense, sell, lease or furnish under contracts of service any of the Subject Equipment; (b) will, at its own expense, endeavor to collect, as and when due, all amounts due with respect to any of the Lease Payments or other Non-Goods Collateral, including the taking of such action with respect to such collection as the Bank may reasonably request or, in the absence of such request, as Borrower may deem advisable; and (c) may grant, in the ordinary course of

business, to any party obligated on or with respect to any of the Lease Payments or other Non-Goods Collateral, any rebate, refund or allowance to which such party may be lawfully entitled, and may accept, in connection therewith, the return of Subject Equipment, the sale or lease of which shall have given rise to such Non-Goods Collateral. The Bank, however, may, but shall not be obligated to, at any time after Default, whether before or after any revocation of such power and authority, notify any lessees or other parties obligated on or with respect to any of the Non-Goods Collateral to make payment directly to the Bank of any amounts due or to become due thereunder and enforce collection of any of the Non-Goods Collateral by suit or otherwise and surrender, release or exchange all or any part thereof, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder or evidenced thereby. Upon request of the Bank, Borrower will, at its own expense, notify any parties obligated on or with respect to any of the Non-Goods Collateral to make payment to the Bank of any amounts due or to become due thereunder.

After the occurrence of a Default, Borrower will forthwith, upon receipt, transmit and deliver to the Bank, in the form received, all cash, checks, drafts, chattel paper and other instruments or writings for the payment of money (properly endorsed, where required, so that such items may be collected by the Bank) which may be received by Borrower at any time in full or partial payment or otherwise as proceeds of any of the Collateral. Any such items which may be received by Borrower will not be commingled with any other of its funds or property, but will be held separate and apart from its own funds or property and upon express trust for the Bank until delivery is made to the Bank.

All items or amounts which are received by the Bank from Borrower or any other party on account of partial or full payment or otherwise as proceeds of any of the Collateral shall be deposited to the credit of a deposit account (herein called the "Assignee Deposit Account") of Borrower with the Bank, as security for payment of the Liabilities. Borrower shall have no right to withdraw any funds deposited in the Assignee Deposit Account. The Bank may, from time to time, in its discretion, and shall upon request of Borrower made not more than once in any week, apply all or any of the then balance, representing collected funds, in the Assignee Deposit Account toward payment of the Liabilities, whether or not then due, in such order of application as the Bank may determine, and the Bank may, from time to time, in its discretion, release all or any of such balance to Borrower.

The Bank is authorized to endorse, in the name of Borrower, any item, howsoever received by the Bank, representing any payment on or other proceeds of any of the Collateral.

5. Certificates, Schedules and Reports. Borrower will furnish to the Bank:

(a) together with each Borrowing Request provided to the Bank pursuant to the Loan Agreement, all of the documents and information required to be submitted therewith; and

(b) from time to time, as the Bank may request, such additional schedules and such certificates and reports respecting all or any of the Collateral at the time subject to the security interest hereunder and the items or amounts received by Borrower in full or partial payment or otherwise as proceeds of any of the Collateral, all to such extent as the Bank may request.

Each of the foregoing schedules, certificates, reports and notices shall be executed by a duly authorized officer of Borrower and shall be in such form and detail as the Bank may specify.

6. Agreements of Borrower. Borrower:

(a) will, upon request of the Bank, execute such financing statements and other documents (and pay the cost of filing or recording the same in all public offices deemed necessary by the Bank) and do such other acts and things, all as the Bank may from time to time request, to establish and maintain a valid security interest in the Collateral (free of all other liens, claims and rights of third parties whatsoever) to secure the payment of the Liabilities, including, without limitation, depositing with the Bank any certificate of title issuable with respect to any of the Collateral and noting thereon the security interest hereunder. Borrower agrees that any carbon, photographic or other reproduction of this Agreement or of any such financing statement shall be sufficient for filing as a financing statement;

(b) will keep its records concerning the Leases and other Non-Goods Collateral at its address shown on the signature page hereof, which records will be of such character as will enable the Bank or its designees to determine at any time the status thereof, and Borrower will not, unless the Bank shall otherwise consent in writing, duplicate any such records at any other address;

(c) will not, without thirty (30) days' prior written notice to the Bank, change the location of its chief executive office or its chief place of business;

(d) in the event that any Subject Equipment shall be or become lost, stolen, destroyed, or, in the opinion of the Borrower, irreparably damaged, or shall be requisitioned or taken over by a governmental authority under the power of eminent domain or otherwise during the term of this Agreement (any such occurrence, being hereinafter called a "Casualty Occurrence"), the Borrower shall promptly and fully inform the Bank in regard thereto;

(e) will not, without thirty (30) days' prior written notice to the Bank, change its name;

(f) will furnish the Bank such information concerning Borrower, the Collateral, and any Account Debtors as the Bank may from time to time reasonably request;

(g) will permit the Bank and its agents or its designees, from time to time, to inspect and evaluate the Collateral or any thereof, and to inspect, audit and make copies of and extracts from all records and all other papers in the possession of Borrower, and will, upon request of the Bank, deliver to the Bank all of such records and papers which pertain to the Collateral and Account Debtors;

(h) will, upon request of the Bank, stamp on each Lease and on its records concerning the Collateral a notation, in form satisfactory to the Bank, of the security interest of the Bank hereunder;

(i) except for the sale or lease of Subject Equipment in the ordinary course of its business, will not, unless the Bank shall otherwise consent in writing, create or permit to exist any lien on or security interest in, any Collateral to or in favor of anyone other than the Bank;

(j) will at all times keep, or require the lessee thereof to keep, all Subject Equipment insured against loss, damage, theft and other risks, in such amounts and with such companies and under such policies and in such form, all as shall be satisfactory to the Bank, which policies (if maintained by the Borrower) shall provide that loss thereunder shall be payable to the Bank as its interest may appear (and the Bank may apply any proceeds of any insurance which may be received by it toward payment of Liabilities, whether or not due, in such order of application as the Bank may determine), and such policies or certificates thereof shall, if the Bank so requests, be

deposited with the Bank; without limiting the foregoing, comply with all insurance policies covering the Subject Equipment and all governmental laws, regulations, requirements and rules (including, without limitation, the rules of the United States Department of Transportation, the ICC and, if and to the extent permitted thereby, the current Interchange Rules or supplements thereto of the AAR) as the same may be in effect from time to time with respect to the use, maintenance and operation of the Subject Property; if any equipment or appliance is reasonably interpreted as being required to be installed on any Subject Equipment in order to comply with such laws, regulations, requirements and rules, make such changes, additions and replacements at its own expense, provided, however, that the Borrower may, in good faith and by appropriate legal proceedings, contest the validity or application of any such law, regulation, requirement or rule in any reasonable manner which does not in the opinion of the Bank adversely affect the security interest of the Bank hereunder;

(k) will cause each railcar which is Subject Equipment to be kept numbered with its identifying number as set forth in the Annex hereto or to the Security Agreement Supplement applicable to such Subject Equipment; will cause to be kept and maintained, plainly, distinctly, permanently and conspicuously marked on each side of each railcar, in letters not less than one inch in height, the words "Ownership subject to a Security Agreement filed with the Interstate Commerce Commission" or other appropriate markings approved by the Bank with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Bank's interest in the Subject Equipment and its rights under this Agreement; will replace promptly any such markings which may be removed, defaced, obliterated or destroyed; will not change the number of any item of Subject Equipment except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Bank by the Borrower and filed, recorded and deposited by the Borrower in all public offices where this Agreement shall have been filed, recorded and deposited;

(l) will reimburse the Bank upon demand for all reasonable costs and expenses, including reasonable fees of attorneys for the Bank (who may be employees of the Bank) and legal expenses, incurred by the Bank in seeking to collect or enforce any rights under the Collateral and, in case of Default, in seeking to collect the Note and all other Liabilities and to enforce rights hereunder;

(m) will reimburse the Bank upon demand for all reasonable costs and expenses incurred by the Bank, its agents or its designees in the course of the evaluations, audits and extractions referred to in clause (q) of this Section 6; and

(n) will pay when due all taxes, assessments, governmental charges and other similar charges levied against any of the Collateral, except and as so long as contested in good faith and by appropriate proceedings.

The Bank may from time to time, at its option, perform any agreement of Borrower hereunder which Borrower shall fail to perform and take any other action which the Bank deems necessary for the maintenance or preservation of any of the Collateral or its interest therein, and Borrower agrees to forthwith reimburse the Bank for all expenses of the Bank in connection with the, foregoing, together with interest thereon at a rate per annum equal to the Reference Rate in effect from time to time plus 2%, from the date incurred until reimbursed by Borrower.

7. Release of Collateral.

Provided that no Default or event which with the lapse of time, or giving of notice, or both, would become a Default has occurred and is continuing, upon the Bank's receipt of a written request to release or terminate its lien and security interest on an item of Subject Equipment, the Bank will release and terminate the lien and security interest created by this Agreement and applicable Security Agreement Supplements in and to such item of Subject Equipment, all as hereinafter provided in this Section 7:

(a) So long as the Liabilities have not been paid in full and the Bank has any obligation to make Loans under the Loan Agreement, if the Borrower shall prepay any Loan or any portion thereof (as provided in and in accordance with Section 5.2 of the Loan Agreement) as the result of the sale or refinancing of any unit of Subject Equipment, or because of a Casualty Occurrence with respect thereto, the Bank shall release or terminate its security interest in or to such item of Subject Equipment.

(b) Provided that all Liabilities have been paid in full and the Bank has no obligation to make Loans under the Loan Agreement, the Bank shall release or terminate its security interest in or to all of the Subject Equipment then pledged to the Bank hereunder.

(c) The Borrower shall pay all costs and expenses incurred by the Bank relating to such release or termination. The Bank shall execute and deliver to the Borrower such instruments, documents or agreements as may be reasonably requested by the Borrower in order to effect such release or termination. Any request to the Bank to release or terminate any security interest in or to any Subject Equipment shall specify the unit or units of Subject Equipment with respect to which such security interest shall be released or terminated and shall be accompanied by a certificate executed by a duly authorized officer of the Borrower to the effect that (a) before and after giving effect to such release or termination (i) no Event of Default or Unmatured Event of Default has occurred and is continuing and (ii) the warranties in Section 7 of the Loan Agreement are true and correct, as though made on the date of such release or termination.

8. Default. Whenever a Default shall be existing, each Note and all other Liabilities may (notwithstanding any provisions thereof), at the option of the Bank, and without demand or notice of any kind, be declared, and thereupon immediately shall become, due and payable, and the Bank may exercise from time to time any rights and remedies available to it under applicable law. Borrower agrees, in case of Default, to assemble, at its expense, all Subject Equipment in its possession or control at a convenient place acceptable to the Bank. Without limiting the foregoing, upon Default the Bank may, to the fullest extent permitted by applicable law, without notice, hearing or process of law of any kind, (a) enter upon any premises where any of the Collateral in Borrower's possession or control may be located and take possession of and remove such Collateral; (b) use, license or, to the extent permitted by an applicable license, sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Collateral constituting General Intangibles throughout the world for such term or terms, on such conditions, and in such manner, as the Bank shall in its sole discretion determine, without compensation to Borrower; (c) sell any or all of the Collateral, free of all rights and claims of Borrower therein and thereto, at any public or private sale; and (d) bid for and purchase any or all of such Collateral at any such sale. Borrower hereby expressly waives, to the fullest extent permitted by applicable law, any and all notices, advertisements, hearings or process of law in connection with the exercise by the Bank of any of its rights and remedies upon Default. Any notification of intended disposition of any of the Collateral required by law shall be deemed reasonably and properly given if given at least five (5) days before such disposition. Any proceeds of any disposition by the Bank of any of the Collateral may be applied by the Bank

to the payment of expenses in connection with the Collateral, including reasonable attorneys' fees and legal expenses, and any balance of such proceeds may be applied by the Bank toward the payment of such of the Liabilities, and in such order of application, as the Bank may from time to time elect.

9. General. The Bank shall be deemed to have exercised reasonable care in the custody and preservation of any of the Collateral in its possession if it takes such action for that purpose as Borrower requests in writing, but failure of the Bank to comply with any such request shall not of itself be deemed a failure to exercise reasonable care, and no failure of the Bank to preserve or protect any rights with respect to such Collateral against prior parties, or to do any act with respect to the preservation of such Collateral not so requested by Borrower, shall be deemed a failure to exercise reasonable care in the custody or preservation of such Collateral.

Except as otherwise expressly provided herein, any notice hereunder between the parties hereto shall be in writing (including telegraphic, telex or telecopy communication) and shall be given to each of the other parties hereto at its respective address, telex number or telecopier number set forth on the signature pages hereof or at such other address, telex number or telecopier number as any party may, by written notice, designate as its address, telex number or telecopier number for purposes of notice hereunder. All such notices shall be deemed to be given when transmitted by telex and the appropriate answerback is received, transmitted by telecopier, delivered to the telegraph office, personally delivered or, in the case of a mailed notice, when sent by registered or certified mail, postage prepaid, in each case addressed as specified in this paragraph.

No failure on the part of the Bank to exercise, and no delay in exercising, any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by the Bank of any right, power or remedy preclude other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies which may be available to the Bank at law or in equity or under any other agreement or instrument relating to any of the Liabilities or any security therefor.

Unless sooner terminated by the Bank, this Agreement shall terminate when all Liabilities (including, without limitation, any and all extensions or renewals of any thereof, any and all interest on any thereof, and any and all expenses incurred by the Bank in seeking to collect any of the Liabilities and to collect or enforce any rights under the Collateral) shall have been paid in full.

This Agreement has been delivered at Chicago, Illinois, and shall be construed in accordance with and governed by the laws of the State of Illinois. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Agreement.

The rights and privileges of the Bank hereunder shall inure to the benefit of its successors and assigns.

IN WITNESS WHEREOF, this Agreement has been duly executed as of the day and year first above written.
